

Ellen Quigley

Location: Dayton
Emergency

Dr. Quigley received her Doctorate of Veterinary Medicine from The Ohio State University following her Bachelor of Arts in Zoology and Spanish studies at Miami University. She completed extern programs at both Cincinnati Care Center and Angell Animal Medical Center in Boston, Massachusetts. With special interest in surgery and behavior, she joins our Emergency department at Dayton Care Center. She previously worked on our team as a Technician Assistant, and having grown up in the Centerville area, she is excited to be back at Dayton Care Center.
