After fostering cats through various rescue organizations, Dr. Sarah Bek Komnenovich, saw the need for more veterinarians in the industry and was called to the field. Although she has a wide range of interests in veterinary medicine including feline medicine, nutrition, and ECC, Dr. Komnenovich finds pleasure in the variety of cases found in emergency medicine. After receiving her DVM from The Ohio State University in 2021, Dr. Komnenovich joins Care Center to complete her small animal rotating internship. When she isn't saving lives in the ER, Dr. Komnenovich can be found enjoying the creative arts, experiencing food from all different cultures, and spending time with her three cats - Sophia, Pixie, and Leopold Leopoldovich.
