BLOOD BANK

Our commitment to the best care possible includes housing a non-profit volunteer animal blood bank. This allows us to have a full assortment of blood products in stock and ready to administer if your pet is critically ill or requires a transfusion.

We are always looking for blood donors and recruiting healthy dogs to become part of the K-9 Lifeline. Visit CareCenterBloodBank.com to see if your dog qualifies to be a lifesaving donor.

PAYMENT OPTIONS

Payment is due at the time of service. For hospitalized patients, a deposit will be taken when admitted with the balance due at the time of discharge. We accept all major credit cards, cash, and low- or no-interest payment plans for qualified individuals including CareCredit® and Scratchpay.
