Referring A Patient Through Emergency?

Expedite the referral process with our registration form for emergency referrals! Forgo the telephone communication and submit your referral and medical records online. Once the referral is submitted online, you will be in direct communication with a Care Center emergency clinician. Our Medical team will send you text messages as your patient moves through the referral process. You will also receive medical updates while the patient is in our care.

See the details of our new referral process on our website (www.CareCenterVets.com/Veterinarians) or through the QR Code
