

## CRITICAL CARE SERVICES - AVAILABLE FOR YOU AND YOUR PET SEVEN DAYS A WEEK.

Our doors are always open, and our phones are answered 24 hours a day, 7 days a week. In an emergency situation, our Critical Care specialty service could save your pet's life. You can count on our experienced team, led by board-certified criticalists, for the best in diagnoses and treatment options. Our nursing staff will ensure quality care for your pet during this crucial time.

# SERVICES AVAILABLE

Following initial emergency treatment, our team closely monitors your pet around-the-clock. Our doctors and technicians are never far away from patients requiring this level of care, and we will work hard for the best possible results. Care Center is proud to offer critical care services seven days a week at our Cincinnati hospital location.
