

INTEGRATIVE MEDICINE IS FOCUSED ON HELPING YOUR PET REACH THEIR FULL, FUNCTIONAL POTENTIAL.

Through various techniques, therapeutic exercises, and manual intervention, we can improve your pet's strength, mobility and range of motion, relieve pain, and prevent injuries in an environment that makes your pet feel safe and comfortable.

CONDITIONS TREATED

We provide physical rehabilitation for pets living with a wide range of medical conditions or recovering from surgical procedures.

- ▼ Orthopedic disease
 - ▼ Osteoarthritis (OA) and degenerative joint disease (DJD)
 - ▼ Pre- and post-surgical patients (TPLO, FHO, fractures, MPL, and more!)
