## SPECIALTY REFERRALS

### NOTIFY OUR TEAM OF THE CASE

Please call and speak to our team about the case you are sending. Calling ahead allows us to collaborate on the case and ensures that appropriate client and patient information is confirmed prior to their arrival.

### REMEMBER THE REFERRAL OFFICE VISIT

Patients referred to Care Center's emergency departments on the same day receive a discounted office visit fee.

### SUBMIT PATIENT MEDICAL RECORDS

To submit medical records for your patient, please email them to [Emergency@carecentervets.com](mailto:Emergency@carecentervets.com).

### SPECIALTY APPOINTMENT INFORMATION

Please use this referral option for **stable patients in need of a consult** with one of our board-certified specialists. Once your referral is submitted, our Referral Coordinators will work with you and/or the client to get an appointment scheduled.

### REFER DIRECTLY TO THE SPECIALTY

When submitting an online specialty referral, please type in the appropriate department to which you are referring to.

### ONLINE OR FAX

To refer a patient, submit the form online, or download the PDF and fax it to:
